

OUR WORLD OUTREACH

Dear Applicant,

Our World Outreach exists to achieve sustainable improvements in the lives of disadvantaged individuals in our community and around the world. Our mission is to improve health, education, living conditions, and the self-sufficiency of disadvantaged individuals locally, across our country and in low-income countries.

If you have a program that focuses on addressing at least one of the primary elements of our mission as described above, please tell us about it so we can decide if funding support can be provided by Our World Outreach. Applications will be reviewed monthly on a rolling basis.

If we agree to partner with you on your project, funding amounts will vary based on various considerations including the available resources at the time of application.

Requests are to be sent to:

Sincerely,

Our World Outreach

Please Note: All requests are considered by the Board.

If approved for support you will be contacted by phone or email by a Board member.
